

DORMAN LOADED BACKING PLATES

THE ALL-IN-ONE SOLUTION TO SAVE TIME AND LABOR.

Are you disassembling multiple pieces to make backing plate and e-brake repairs? Are you selling customers piecemeal components?

Our new loaded backing plates deliver a complete parking brake assembly solution, already assembled out of the box, to reduce comebacks and decrease total labor time by simplifying repair.

COVERAGE INCLUDES SELECT FORD AND DODGE TRUCKS

**1.5
HOURS
SAVED**
Per Wheel*

Saves time – assembly replaces all failure prone components by combining parking brake shoes and hardware onto the backing plate

Reduces frustration – pre-mounted parking brake shoes, springs and clips for a bolt-and-go solution

Premium brakes - each design hill-hold tested to Federal Motor Vehicle Safety Standards (FMVSS 105)

Convenient solutions – available individually per wheel

Limited lifetime warranty
