

REAR SEAT CUP HOLDER

(2002-2018 1500, 2500, 3500)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Rear Cup Holder

TOOLS REQUIRED

Flathead Screwdriver

SKU # R134097

STEP 1

Using a flathead screwdriver, press in the tabs on the original cup holder insert. Use the new cup holder as a reference. Pry the insert away from the vehicle.

STEP 2

Firmly press the new rear seat cup holder into place, the cup holder will make an audible click when secure.

Installation is now complete.
