

LED LICENSE PLATE LAMPS

(2001-2013 SILVERADO)

(2001-2013 SIERRA)

INSTALLATION INSTRUCTIONS

CONTENTS

(2) LED License Plate Lamps

TOOLS REQUIRED

Flathead Screwdriver

SKU # S122507

STEP 1

Using a flathead screwdriver, hinge the license plate light housing out of the bumper.

STEP 2

Twist the light socket counter-clockwise to remove the light socket from the housing.

STEP 3

Remove the light bulb from the light socket.

STEP 4

Plug the LED license plate lamp into the vehicle light socket.

STEP 5

Screw the light socket into the LED license plate lamp.

STEP 6

Install the LED license plate lamp into the bumper following step 1 in reverse order.

Installation is now complete.
