(2015-2020 SILVERADO HD 2500/3500)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Center Console Lock Box
- (1) Thumb Tack
- (4) 25mm Self Tapping Screws

TOOLS REQUIRED

Phillips Screwdriver

SKU # S159211

STEP 1

Open the center console area under the middle seat cushion and empty all contents.

STEP 2

Place the lock box into the vehicle center console area. Using the lock box as a template, push and twist the (4) self tapping screws through the hole using a Phillips screwdriver to drive the screws into place.

STEP 3

Combination: Open the lock box lid using the combination “000”.

With the lid open, use the included thumb tack to press the button on the side of the knob. With the button pressed, set the desired combination. Once set, remove the thumb tack and re-install the lid to the lock box.

STEP 4

See below to set combination.

Installation is now complete.
