

UPPER DASH STORAGE PANEL

(2009-2014 F150)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Dash Storage Tray

TOOLS REQUIRED

Plastic Pry Tool

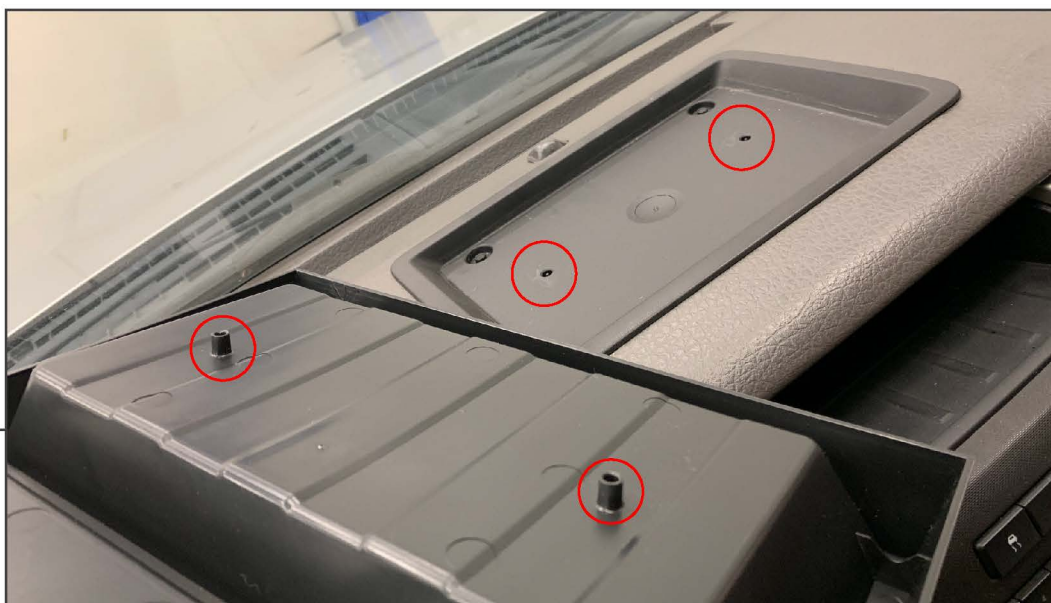

SKU # T543364

STEP 1

Using a plastic pry tool, remove the factory rubber mat from the upper dash tray.

STEP 2

Using the locating pins, install the tray onto the factory tray. The pins will locate and prevent the storage bin from moving.

STEP 3

Installation is now complete. Clean using soap and water.
