## INSTALLATION INSTRUCTIONS

### CONTENTS

---

(1) License Plate Bracket

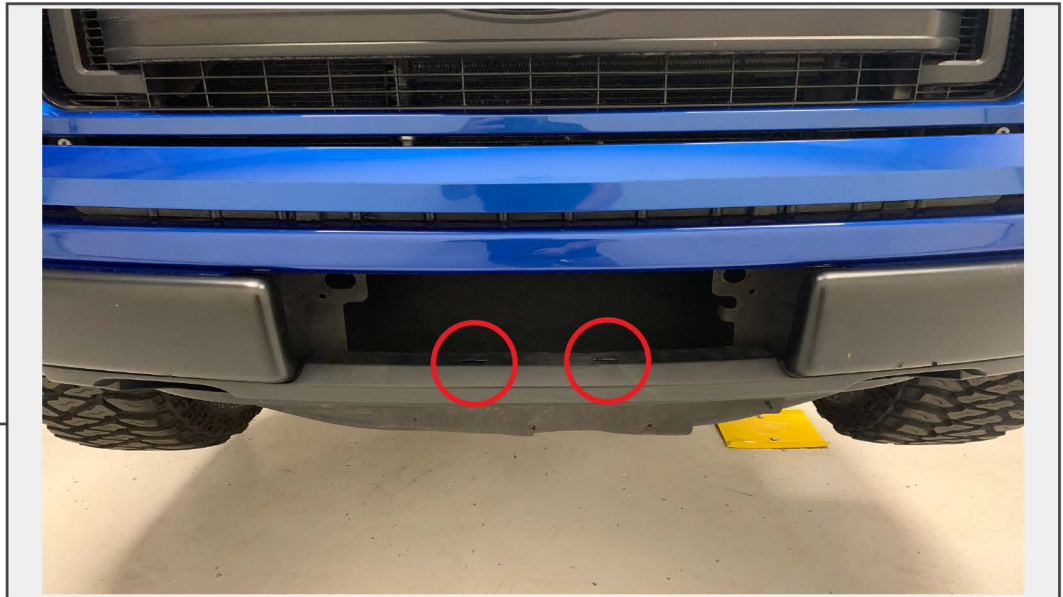

### TOOLS REQUIRED

---

Exterior Quick Detailer  
(Optional)

SKU # T546788

**STEP 1**

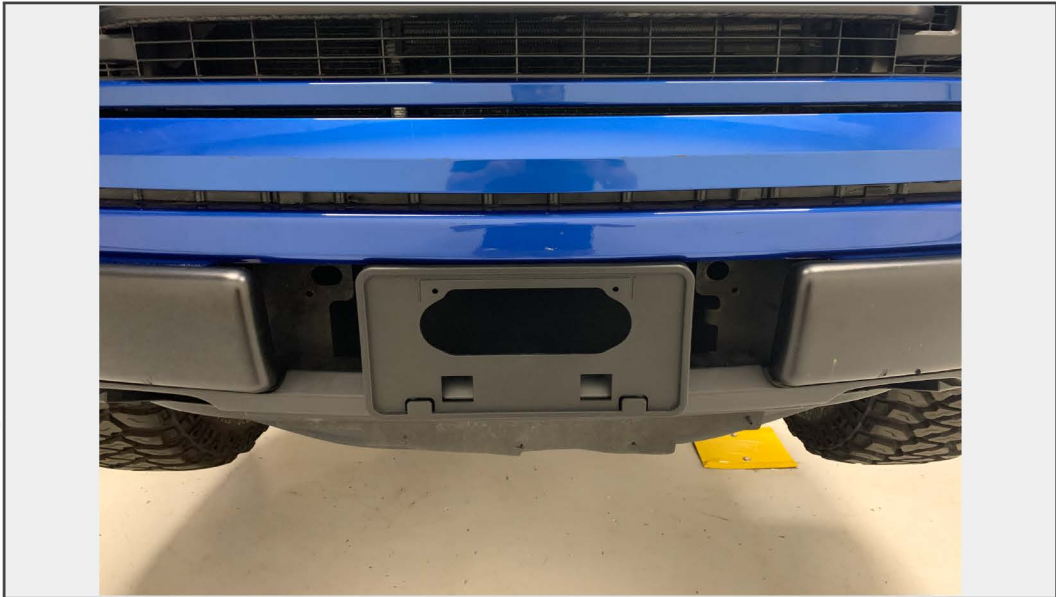

Begin by pushing the (2) bottom hooks into the lower portion of the bumper until there is an audible click.

**STEP 2**

Pull down on the bracket enough to push the top of the bracket under the bumper. Once the bracket is pushed back, push up on the backside of the bracket to secure the (2) clips into the bumper. There will be an audible click to ensure it is secured.

---

**STEP 3**

Once all mounting points have clicked into place, installation is complete.
