

FRONT BUMPER GUARDS

(2009-2014 F-150)

INSTALLATION INSTRUCTIONS

CONTENTS

(2) Front Bumper Guards

TOOLS REQUIRED

Panel Removal Tool

SKU # T546789

STEP 1

Using the designated guard, align the bumper guard with the pre-existing holes in the bumper.

STEP 2

Push the guard into place, starting from the inside moving out. Once all (4) clips make an audible click, installation is complete.
