

FRONT LICENSE PLATE BRACKET

(2009-2014 F-150; EXCLUDING HARLEY DAVIDSON,
SVT RAPTOR, AND ECOBOOST)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) License Plate Bracket

TOOLS REQUIRED

Exterior Detailer
Microfiber Cloth

SKU # T554242

STEP 1

Clean the front bumper around the license plate mounting bracket location.

STEP 2

Place the (2) lower mounting arms into the cutouts along the bottom of the bumper.

**STEP 3**

Hinge the (2) upper mounting clips into the cutouts in the upper section of the bumper. Once aligned, press the clips up into the bumper to ensure the clips are fully engaged.

**STEP 4**

Installation is now complete.
