

FRONT BUMPER GUARDS

(2009-2014 F-150)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) LH Guard
(1) RH Guard

TOOLS REQUIRED

Panel Removal Tool / Pry Tool

STEP 1

Remove the original bumper guard using a panel removal tool / pry tool.

STEP 2

Firmly press the new guard into the vehicle bumper, ensure the guard is fully inserted.

Repeat steps 1-2 to the remaining bumper guard. Installation is now complete.
