

# FRONT BUMPER GUARDS

(2018-2020 F-150)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

- (1) LH Bumper Guard
- (1) RH Bumper Guard
- (8) Metal Clips
- (2) Plastic Push Clips

### TOOLS REQUIRED

---

Panel Removal Tool

**STEP 1**

Remove the original bumper guard from the vehicle using a panel removal tool to pry/dislodge the retaining clips. Install (4) metal clips and (1) plastic push clip to the bumper guard.

**STEP 2**

Align the bumper guard to the vehicle and firmly press into place ensuring all of the attached clips are secure. Repeat steps 1-2 to the remaining bumper guard.

Installation is now complete.
