

FRONT GRILLE

SKU # AMFMAA00122

Product Installation Instructions

Fitment : 2021-2022 Ford F150

STEP 1

Remove the 4 screws holding the trim piece on the left and right sides of the truck. Pull the whole trim piece off the truck. Remove the screw circled in the picture (both left and right sides are required)

STEP 2

Remove the 14 clips and remove the cover panel. Remove the 4 screws.

STEP 3

Unplug the 2 wire harnesses and pull the whole grille assembly from the truck.

STEP 4

Remove the 5 screws on the back. Remove the plastic trim cover at the bottom. Press and push out the three clips to take out the original grille.

STEP 5

Simply do the removal steps in reverse to reinstall the new grille.

STEP 6

DRL Wiring: First connect each amber light to the wiring harness, then connect the red wire to the ACC, and the black wire to the negative of battery.

STEP 7

Fix all the bolts and clips and finish installation of new grille.
