**STEP 1**

Align the ball style mount onto the dash mount. The mount will audibly click into place when fully seated.

**STEP 2**

Clean the designated area of the vehicle dashboard using the provided (1) adhesion promoter pad. Ensure the dashboard is fully dry after cleaning.

**STEP 3**

Peel the red tape backing from the double sided tape. Locate the (2) plastic mounting tabs.

Clip the (2) plastic mounting tabs around the air vent on the vehicle. Firmly press the tape portion of the dash mount to the vehicle dashboard.

**STEP 4**

Secure the phone clamp to the ball style mount using the included nut. Tighten until secure. Place the phone in the lower arm, and the upper arms will retract to hold the phone into place.

Installation is now complete.
