

CENTER CONSOLE LOCK BOX

(2015-2020 F-150 - WITH BUCKET SEATS)

(2017-2022 F-250 / F-350 - WITH BUCKET SEATS)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Lock Box
- (2) Mounting Brackets
- (4) M6 Flange Nuts
- (4) Phillips Screws

TOOLS REQUIRED

- 10mm Wrench
- Phillips Screwdriver

STEP 1

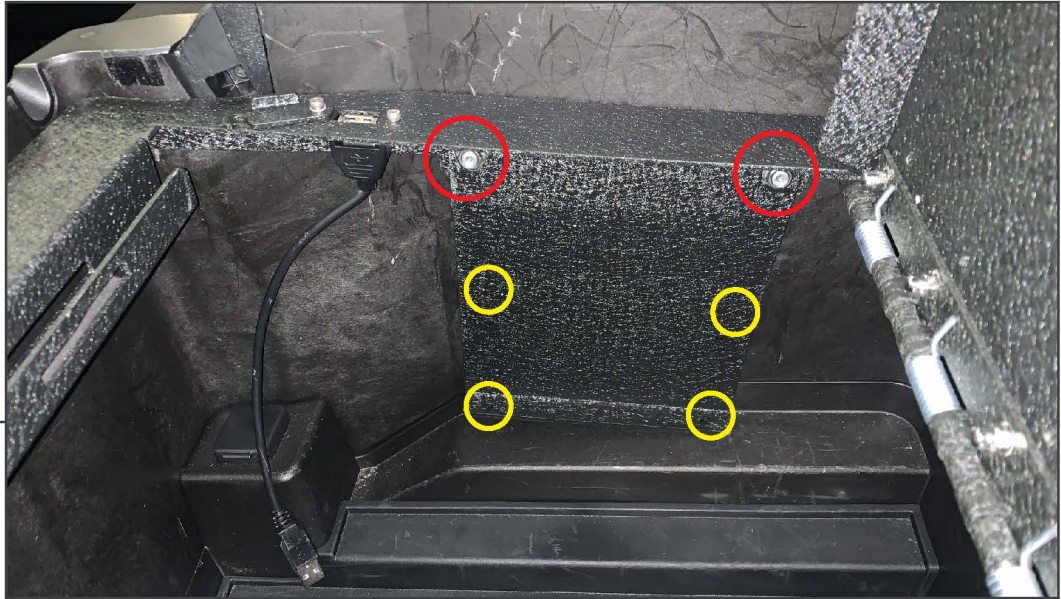

Empty the vehicle center console of all contents.

STEP 2

Fit the center console lock box into the vehicle center console. Ensure the front of the box overlaps the center console lip. The rear of the box will fit under the console lip.

STEP 3

Open the lock box lid, and each mounting bracket in between the lock box lid and the center console floor. Loosely fit the (2) nuts to secure the lid and the bracket together. Then, once properly fitted, secure the bracket to the vehicle center console using (2) Phillips screws per bracket. Depending on application, the screws can be fitted to the bottom or the side of the bracket.

Tighten the (4) M6 nuts once the brackets are secure to the vehicle.

STEP 4

Combination: Open the lock box lid using the combination “000”.

With the lid open, use the included thumb tack to press the bottom on the side of the knob. With the button pressed, set the desired combination. Once set, remove the thumb tack and re-install the lid to the lock box.

STEP 5

Installation is now complete.
