STEP 1

Open the vehicle door, and test fit the cup holder assembly to the vehicle door panel in the designated area. Once familiar with fitment, identify the location of the double sided tape on the cup holder, and clean the corresponding sections of the door panel using the included prep pad.

STEP 2

Peel the red tape backing from the cup holder assembly. Then, firmly press the cup holder assembly to the vehicle door panel to engage the double sided tape.

Installation is now complete.
